F.A.Q!

FREQUENTLY ASKED QUESTIONS

A little FAQ to answer some questions I've been receiving these weeks. And a big THANK YOU to all of you who have been helping me to answer them: I love you.

ONE. I'm new. Where's the beginning of the story? Am I missing something?

Don't worry, you're in the right place! I started drawing Miss Abbott on DeviantArt some time ago, just for fun. The story starts in the middle of it because I didn't plan to make a series but a few random chapters. After seeing that people liked them, I changed the format and started to make the chapters WAY longer and in chronological order. You'll see that very soon if you decide to stay (I hope you do!).

TWO. I'm an old reader, why can't I binge read the chapters as I used to do? Why did you remove them from Discover and the other sites?

As I already explained before leaving Discover, Tapas and DA, I had to do it in order to become featured. It was hard for me and that's why I kept all our chats instead of actually deleting all the chapters, but that's the way it works and it happens every time a comic is featured.

THREE. I want it to be colored. Are you going to color it at some point?

NO.

I believe that you can tell a story using only what you need. And what I need is a pencil. I only hope that you find the story so interesting that you forget there aren't neither color not backgrounds.

FOUR. I think these chapters are clearly worse than the old ones you posted on Discover before. Why have you changed them?

I've changed TWO sentences...

FIVE. I've seen your Patreon but I'm not sure how the rewards system works. If I send you my photos for you to make a new character in your comic you'll give me 100$? Did I get it right?

(infinite face palm)

I hope everything is more clear now.
And now here you are the next chapter:
